

Fair Usage Policy and Media Prices

1. Greenland National Petroleum Data Repository and its website

The Greenland National Petroleum Data Repository ("GNPDR") is owned by the Government of Greenland. Data in the GNPDR are made available for Customers at the Government of Greenland's website for the GNPDR at www.GreenPetroData.gl in accordance with the Data Terms of Use and the Terms of Use.

2. Operation and management by OSOKEY Ltd. (OSOKEY)

The GNPDR is operated and managed by OSOKEY Ltd., Suite 7, The Hub, Station Road, Henley-On-Thames, England, RG9 1AY, Company reg. no.: 10469720, ("OSOKEY") for and on behalf of the Government of Greenland.

OSOKEY has the authority (i) to operate and manage the GNPDR, (ii) to make, perform, terminate and exercise and enforce rights under any Data Licence, and (iii) to do anything, perform any act and make any transaction relating to the operation and management of the GNPDR or any Data Licence.

OSOKEY will implement a fair usage policy per user group where a user group is defined by their company and/or email domain. This is implemented for example but not exclusively to limit repeat downloads of the same datasets. User groups or individual users that regularly download the same data may trigger policies associated with fair usage that block data download and inform the user. This service is intended for business-to-business (B2B) services.

Summary table of pricing (subject to terms set out below)

Data volume requested by User group (cumulative)	Price
Initial 1 TB	No Cost
> 1TB	316.67 DKK per TB

SEG-Y and other data types will be available to download through a modern web browser, if the dataset is less than 1TB in size. The default delivery of data will be via download. Larger data volumes can be downloaded by arrangement with OSOKEY tailored and optimised to the recipient user group IT system. Datasets greater than 1TB can be downloaded and will also be available on physical devices at cost to the end user.

Delivery will be on hard disk media, where the service will be charged to the registered user and payment will be taken via OSOKEY'S secure online payment system. Delivery time scale via hard disk will be proportional to the dataset size ordered. Orders may take longer during periods of unusually high demand or where multiple media devices are involved. Orders will not be dispatched until full payment has been received. Where an invoice is issued, payment is due 30 days after receipt of payment. The amount payable is specified on the invoice.

As stated in the Data Terms of Use document, Data are provided and licensed on an "AS IS" basis. The Government of Greenland and OSOKEY shall have no responsibility or liability for whether these formats fit or are compatible with the software, programs, systems, installations and purposes etc. of the user or user group.

Fees and Charges will be incurred by the end user based on the use of the services provided and the data volume ordered including costs for handling, media and shipping.

A user group can download up to 1TB of data at no cost. Any further data volume will then be charged at a rate of 316.67 DKK per TB (~ £37.63 / TB subject to foreign exchange variation).

OSOKEY will invoice for these services in GBP British Pounds Sterling via the provided online payment system. All orders are subject to this Fair Usage policy and prices and subject to the Data Terms of Use available at <https://greenpetrodata.gl/>. Any customs and import duties must be paid by the user or user group.

3. Indicative Media and Delivery Pricing
